

West Asheville Business Association

Announces

MEMBER-TO-MEMBER DISCOUNTS!

*A FREE Way to Promote Your Business
to the Entire WABA Membership*

Because the West Asheville Business Association wishes to promote business growth among fellow WABA members, it has created the WABA Member-to-Member discount program. Your participation is publicized in a variety of ways.

Companies that offer discounts will receive:

- **publicity in WABA's monthly newsletter**
- **listing on discount cards that are distributed to all WABA members**

Participants that offer discounts will have their choice of displays for announcing their involvement in the program, from window decals to counter top signs.

There is no cost to participate in the WABA Member-to-Member discount program. Your only expenditure is the discount you offer. If you would like to join the program, **you must offer something unique to WABA members**; the appropriate discount is one not offered to the general public.

If you are interested in offering a discount to WABA members, please fill out the information below.
